

EBLIP is an open access, peer reviewed journal that is published quarterly, hosted by the University of Alberta Learning Services, and supported by an international team of editorial advisors. The purpose of the journal is to provide a forum for librarians and other information professionals to discover research that may contribute to decision making in professional practice. EBLIP publishes original research and commentary on the topic of evidence based library and information practice, as well as reviews of previously published research (evidence summaries) on a wide number of topics.
